Mr. Derrick Clay

Dr. John C. Green

Mr. Bob Paduchik

So goes Ohio. So goes the nation. Does this remain true after the 2020 election? Is the Buckeye state's standing as a bellwether and a battleground state over? How will the new presidential administration affect Ohio? What predictions can we make about the 2022 midterms and state-wide elections in Ohio? Join our three experts on Ohio politics to discuss these questions and more. There will be time for audience questions.
