

Department of Chemistry Scholarship Application

This scholarship application is **only for students** who are B.A. or B.S. Chemistry, B.S. Chemistry-Polymer Option or B.S. Biochemistry majors. Eligible students will have declared Chemistry or Biochemistry as their major with the University. ***If you change your major from chemistry or biochemistry, you are not eligible for Chemistry's scholarships.*** If you have questions, please call the chemistry department (330-972-8385) email garciaj@uakron.edu or stop by the Chemistry office (KNCL 103).

Please fill out all information below and return via email to: garciaj@uakron.edu no later than Friday, February 17, 2023. *Scholarship recipients* will be notified via email no later than Friday, March 17, 2023.

Please note: The University of Akron Student Financial Aid Office also participates in determining eligible students with regards to our scholarships with respect to the maximum dollar cap the university has in place for scholarship recipients. In some instances, the award of our scholarship monies would exceed a student's cap. In those cases, the department will award the scholarship in name so that you are recognized for your success and can add the award to your resume.
