LEARNING COMMUNITIES AT

# THE I PROMISE SCHOOL

## Fall 2020 Teacher Education

The LeBron James Family Foundation College of Education and the I Promise School are partnering to offer a unique learning opportunity for LJFF COE students. Students can join a learning community by block scheduling courses and spending extended time at the I Promise School. This “lived-in” teacher education clinical model will provide teacher candidates with an enriched learning experience.

### ADVANTAGES OF THE LJFF COE/IPS CLINICAL MODEL:

- Work with experienced IPS teachers and their students throughout the day.
- Participate in seminars that are integrated into the schedule.
- Become part of a professional learning community.
