*Other course(s) must be approved by
Constitutional Law Advisor: _____

- Fulfillment of the certificate program requires achievement of a minimum 2.3 accumulative GPA in all courses taken to earn the certificate.
- The Constitutional Law Certificate program additionally requires students to complete a substantial writing project related to Constitutional Law in the context of a law school course, law review article, UDWR, or ISR.¹

Term: _____ Course: _____

Title of Paper: _____

¹ The Director of the Center for Constitutional Law shall have discretion to determine whether any particular student writing project satisfies the substantial writing requirement. Additionally, a writing project of less than 15 pages and/or a writing project where the Constitutional aspect of the project is not self-evident shall only satisfy the substantial writing requirement upon its review and approval by the Director of the Center for Constitutional Law.
