1

**The 5-Dimensional Model for Evolution of
Inclusion in the Classroom & Workplace**
The relationship between belonging and DE&I

INCLUSION
Thoughts, ideas and perspectives of all individuals matter

EQUITY
Constantly and consistently recognizing and redistributing power

DIVERSITY
Multiple identities represented in an organization

BELONGING
An org that engages full potential of the individual, where innovation thrives, and views, beliefs and values are integrated

Over saturation of similarity, homogeneous culture and simplified points of view

The dominant group or ideology is deferred to for decision making, opportunities and promotions

Culture assimilation results in disengagement and low retention

1. Awareness
2. Authenticity
3. Accountability
4. Alignment
5. Agility

2

**CPAC Monthly Meeting
Attachment I**

National Conference on Diversity, Race, & Learning (NCDRL)

Takeaways/Action Items

1. Self-education for employees
 1. Examples: Bias Training, Microaggression Training, etc. (trainings created by/facilitated by experts in the field)
2. Importance of leadership
 1. Recruitment of diverse leaders
 2. Encourage all leaders to advance DE&I initiatives in their own classrooms, programs, offices, etc.
 3. Provide further professional development opportunities for employees
3. Visibility of programs and initiatives
 1. Showcase what is actually being done
 2. Proactive rather than retroactive(ex. hiring efforts, partnerships, etc.)
