

Kevin Patrick Kaut
Master Vita
April, 2010

Office: Department of Psychology
The University of Akron
Akron, Ohio 44325-4301
(330) 972-2196
FAX: (330) 972-5174

Currant Rank: Assistant Professor

Date of First Appointment: August, 2002, The University of Akron

A. Education

Ph.D., Biomedical Science, Kent State University, 2000
M.A., School Psychology, The University of Akron, 1990
B.S., Psychology, The University of Akron, 1987

B. Professional Employment

Assistant Professor of Psychology, The University of Akron, 2002-present
Visiting Assistant Professor in Psychology, The University of Akron, 2000-2002
Adjunct Faculty in Psychology, The University of Akron, 1999¹
Adjunct Faculty in Psychology, Hiram College, 1999²
Adjunct Faculty in Psychology, Kent State University, 1998
Research & Teaching Assistant, Kent State University, 1996-1999
School Psychologist, Mahoning County Office of Education, 1990-1996
Intern School Psychologist, Summit County Office of Education, 1989-1990

C. Teaching and Related Activities

The University of Akron

3750:780 Seminar: Neuropsychological Disorders of Aging
3750:704 Psychopharmacology
3750:604 Biopsychology—Core IV
3750:480 Neuropsychiatric Disorders: Diagnosis & Treatment
3750:480 Special Topic: Health Psychology
3750:480 Special Topic: Cognitive Neuroscience
3750:320 Biopsychology

¹ Core IV: Biopsychology (Graduate course in brain and behavior)

² Introduction to Psychology

The University of Akron (Continued):

- 3750:230 Lifespan Development
- 3750:220 Introduction to Experimental Psychology
- 1870:400 Natural Sciences Colloquium (University Honors College)

Kent State University

- Animal Behavior Research Laboratory
- Physiological Psychology
- Psychology of Motivational Processes
- Writing Intensive Instruction: Physiological Psychology; Motivational Processes

Hiram College

- Introduction to Psychology

D. Recent Publications

New Publications, 2009-2010

Graef, S., Tokar, D., & Kaut, K. P. (provisional acceptance). Relations of masculinity ideology conformity to masculine role norms and gender role conflict to men's attitudes toward and willingness to seek career counseling. *Psychology of Men and Masculinity*.

Baena, E., Allen, P. A., Kaut, K. P., & Hall, R. J. (currently available online). On age differences in prefrontal function: The importance of emotional/cognitive integration. *Neuropsychologia*.

New Publications, 2007-2009

Allen, P. A., Smith, A. F., Lien, M-C., Kaut, K. P., & Canfield, A. (in press). A multistream model of visual word recognition. *Perception and Psychophysics*.

Sweitzer, M., Allen, P., & Kaut, K.P. (2008). "Relation of Individual Differences in Impulsivity to Non-clinical Emotional Decision Making". *Journal of International Neuropsychological Society*, 14, 1-5.

Kaut, K. P. & Dickenson, J. A. (2007). The mental health practitioner and psychopharmacology. *Journal of Mental Health Counseling*, 29(3), 204-225.

Allen, P., Kaut, K.P., & Lord, R.G. (2009, anticipated). Emotion and Episodic Memory. In E. Dere, A. Easton, L. Nadel, & J.P. Huston (Eds.), *Handbook of Episodic Memory*. Elsevier.

Previous Publications

- Kaut, K. P. (2006). Counseling psychology in the era of genetic testing: Considerations for practice, research, and training. *The Counseling Psychologist, 34*(3), 1-28.
- Kaut, K. P. & Bunsey, M. D. (2005). Preserved olfactory discrimination learning and memory following neurotoxic and radiofrequency lesions of the hippocampus in rats. *Journal of Behavioral Neuroscience Research, 3*, 6-28.
- Bush, A., Allen, P. A., Kaut, K. P., & Ogrocki, P. K. (In Press). The influence of mild cognitive impairment on visual word recognition. *Aging, Neuropsychology, and Cognition*.
- Kaut, K. P., Werth, J. L. Sever, A., & Hasan, N. (2004). Suggestions for clergy ministering to dying persons and their loved ones: Conceptualizing death and developing a framework for life's final stage. In D. Herl and M. L. Berman (Eds.), *Building Bridges Over Troubled Waters: Enhancing Pastoral Care & Guidance*. Lima, OH: Wyndham Hall Press.
- Kaut, K. P. (2005). End of life assessment within a biological, psychological, and spiritual framework. In J. L. Werth & D. Blevins (Eds.), *Attending to Psychosocial Issues Near the End of Life: A comprehensive Guidebook*. Washington, DC: APA Press.
- Allen, P. A., Kaut, K. P., Lord, R. G., Hall, R. J., Bowie, T., & Grabbe, J. W. (2005). An emotional mediation theory of differential age effects in episodic and semantic memory. *Experimental Aging Research, 31*, 355-391.
- Kaut, K. P., Bunsey, M. D. & Riccio, D. C. (2003). Long-term retention of simple olfactory information is spared following specific hippocampal lesions, but impaired following rhinal cortex lesions. *Behavioral Neuroscience, 117*, 304-319.
- Kaut, K. P., DePompei, R., Kerr, J., & Congeni, J. (2003). Reports of head injury and symptom knowledge among college athletes: Implications for assessment and educational intervention. *Clinical Journal of Sport Medicine, 13*, 213-221.
- Kaut, K. P. (2002). The neuropsychology of aging: Sensorineural correlates of behavioral change. In R.W. Flint, Jr. (Ed.). *Forget It: A Review of Learning and Memory Mechanisms*. Chelmsford, MA: Custom Books.
- Kaut, K. P. (2002). Religion, spirituality and existentialism near the end of life: Implications for assessment and application. *American Behavioral Scientist, 46* (2), 220-234.

Kaut, K. P. & Bunsey, M. D. (2001). The effects of lesions to the rat hippocampus or rhinal cortex on olfactory and spatial memory: Retrograde and anterograde findings. *Journal of Cognitive, Affective & Behavioral Neuroscience*, 1(3), 270-286.

Manuscripts Under Review (or in preparation), 2007-2008

Kersten, M., & Kaut, K. P. (*currently in preparation*). Effects of hypothermia on Memory in the Gray Slug, *Deroceras reticulatum*: A retrograde amnesia paradigm. In preparation for submission to *Journal of Behavioral & Neuroscience Research*.

Undergraduate Research Activity

Fulton, N. & Kaut, K. P. (2006). Neuroanatomical analysis and lesion effects on behavior: Neuroscience methods applied to a study of memory.

Brookshire, D., & Kaut, K. P. (2005). Public perception of the mental health professional's role in response to client decisions concerning rational suicide.

Guerts, D., & Kaut, K. P. (2004). Perspectives on genetic testing and pregnancy termination.

Hoffman, J. (2004). Cognitive and affective issues related to decisions about rational suicide: A vignette approach.

McKenzie, C. (2004). Determining the role of movement planning on memory for items learned in enactment, imagined enactment, and verbal encoding conditions.

Shall, R. (2004). Testing a bio-psycho-social-spiritual model of decision-making at the end of life.

Brand, R. B. (2002). The influence of motor enactment and imagined enactment encoding conditions on object and spatial location memory.

Pacetti, C. (2003). The effect of emotional intensity on recall and recognition memory.

Rorar, T. D. (2003). The role of motor enactment, imagined enactment, and verbal encoding on item and item-in-location memory.

E. Grant Activity

- 2003 National Institutes of Health (RO1 mechanism). Individual differences in emotional cognition and aging. Allen, P. A. (PI), Hall, R. J., Lord, R. G., & Kaut, K. P.
- 2006 CEMRRAT Grant for Minority Student Research. Submitted to APA Division of Minority Affairs. Requested Amount: \$5000.00

F. Honors and Awards

- 2005 Arts & Sciences Chair Award for Teaching, The University of Akron
1999 Dissertation Writing Award, Kent State University
1998 Outstanding Teaching Award, Kent State University

G. Presentations

- Kaut, K. P. (2002, March). *Alzheimer's disease and cognitive mechanisms associated with falls*. Presentation given at the Ohio Association of Gerontology and Aging Experts (OAGE), Columbus, Ohio.
- Blevins, D., Kaut, K. P., Kopera-Frye, K. & Werth, J. (2001). *Adaptive cognitive functioning at the end of life*. Poster presented at the 109th Annual American Psychological Association Convention, San Francisco, CA.
- Hanson, G., Bunsey, M. & Kaut, K. (1999). *Comparison of retrograde amnesia following lesions of the fornix and perirhinal-entorhinal cortex*. Poster presented at the Midwestern Psychological Association Convention, Chicago, IL.
- Novak, C. & Kaut, K. (1999). *The hippocampus, subiculum, and combined lesion effects on non-relational and relational processing tasks*. Poster presented at the Society for Neuroscience Convention, New Orleans, LA.
- Harrod, S., Kaut, K., Riccio, D. & Bunsey, M. (1998). *Different roles of hippocampus and hippocampal cortex in tests of one-trial aversive learning*. Poster presented at the Society for Neuroscience Convention, Miami, FL.
- Flint, R. W., Kaut, K. & Bunsey, M. (1997). *The hippocampus and perirhinal-entorhinal cortices in simple olfactory task retention*. Poster presented at the Society for Neuroscience Convention, New Orleans, LA.
- Kaut, K. Bunsey, M. & Belviso, A. (1997). *The role of the hippocampal system in memory consolidation: Evidence from temporally-graded retrograde amnesia*. Poster presented at the Society for Neuroscience Convention, New Orleans, LA.

Kaut, K. & Bunsey, M. (1996). *The role of the hippocampal system in the acquisition and retention of simple olfactory information*. Poster presented at the Midwestern Psychological Association Convention, Chicago, IL.

Stuesse, S., Stuesse, D., Kaut, K. & Cruce, W.L.R. (1994). *Raphe nuclei in the brains of Three cartilaginous fishes*. Poster presented at the Society for Neuroscience Convention, Washington, D.C.

H. Professional Activities

Professional Organizations

American Psychological Society (APS), Member
American Psychological Association (APA), Member
Society for Neuroscience (SFN)

Journal Reviews

Reviewer: *Brain Research*
Reviewer: *British Journal of Sports Medicine*
Reviewer: *Death Studies*
Reviewer: *The Counseling Psychologist*
Reviewer: *McGraw-Hill*
Reviewer: *Journal of Mental Health Counseling*
Reviewer: *Journal of Behavioral and Neuroscience Research*
Reviewer: *Psychology of Men and Masculinity*

University & Departmental Committees

Undergraduate Task Force, 2002-2003
Undergraduate Assessment Committee, 2004-2008
Co-advisor, Psychology Club, 2002-2003
Library Committee, 2002-2003, 2003-2004, 2004-2005, 2005-2008
Graduate Faculty Status Committee, 2003-2004
University Honors Advisor (Psychology), 2002-2003, 2003-2004, 2004-2005, 2005-2006, 2006-2007, 2007-2008
Buchtel College Council, 2005-2006, 2006-2007, 2007-2008
Curriculum Subcommittee Chair, 2007-2008
Honors College Council, 2006
Institute for Teaching and Learning, Pedagogy Committee, 2005-2006
