Education

**2001 Cleveland State University Cleveland, Ohio
Masters Social Work**

**1994 Cleveland State University Cleveland, Ohio
BA Psychology**

Consulting

**2009- Present Great Lakes Addiction Technology Transfer Center (GLATTC)
University of Wisconsin- Madison**

GLATTC is part of the National ATTC Network funding through the Department of Health and Human Services and the Institute of Drug Abuse. It covers HHS Region VII consisting Ohio, Indiana, Illinois, Michigan, Wisconsin, and Minnesota. Serves as a member of the National Faculty of trainers relative to Contingency Management, Technology Enhanced Care, Recovery Oriented Systems, Motivational Interviewing, Trauma Informed Care, Clinical Supervision, and Clinical Ethics in the Digital Age

2012-2016 Technical Assistance and Consulting Team NEOMED

NEOMED's Department of Psychiatry and its Best Practices in Schizophrenia Treatment (BeST) Center were selected by Ohio's Office of Medical Assistance/Ohio Medicaid to receive Medicaid Technical Assistance and Policy Program (MEDTAPP) Health Care Access grant. The MEDTAPP HCA seeks to attract, train and retain health care practitioners to serve Medicaid beneficiaries in key health care professional need areas. To assist community mental health agencies in making transitions to integrated primary and mental health care, NEOMED's Department of Psychiatry created, as one of its MEDTAPP HCA-funded initiatives, an interprofessional Integrated Care Technical Assistance and Consultation Team (TACT).

2017-Present Criminal Justice Coordinating Center of Excellence NEOMED

NEOMED houses the Ohio CCOE for Criminal Justice. They offer training, research, and

dissemination of best practice as it relates to promoting jail diversion for persons with mental health or addiction disorders. Recently they adapted the Sequential Intercept Model from the GAIN Center for persons with Opiate related disorders. The Intercept team has done community mappings for multiple Ohio County systems.
