

Reporting Sexual Assault, Dating Violence, Domestic Violence, Stalking, and Sexual Harassment

Knowing who to talk to about sexual misconduct can be difficult for all of us, especially if you have personal experience with trauma, violence, or sexual misconduct. We asked our students – what help they needed and what information they wanted.

<p style="text-align: center;">Where to go? What you may want to ask?</p> <p><i>You can become involved with education and awareness campaigns and violence prevention by outreaching to any of the offices/areas listed below.</i></p>	<p style="text-align: center;">“I want more information about the University of Akron policies”</p>	<p style="text-align: center;">“I just want to speak to a professional who is confidential”</p>	<p style="text-align: center;">“I need medical assistance or help identifying medical resources”</p>	<p style="text-align: center;">“I need help to get back on track with school” (help with homework, housing, to be excused from class, etc.)</p>	<p style="text-align: center;">“I would like for the school to investigate the responsible person or to pursue criminal charges”</p>
