Bachelor of Science Degree Awarded Total Hours: 120

* A total of 36 credits of by-pass credits upon successful completion

Notes:

A) Excluding CHEM 1111, these courses can be taken before, during, or after a student is admitted into the Columbus State Nursing program, or once a student starts taking coursework at UA

B) CHEM 1111 Elementary Chemistry I is a required pre-admission course for admission in the RN/BSN program at UA

This Transfer Pathway represents one example of how to complete an associate and bachelor degree. Students should work closely with advisors at both institutions to discuss options. Students should work with a Columbus State advisor to identify ADN requirements. Don Canary canary@uakron.edu can also assist students with developing a graduation plan for full- or part-time study for your RN/BSN degree.

Course sequence may change based on the individual needs of the student and schedule type required.

All students must complete:

- A minimum of 120 semester credits (combined Columbus State and The University of Akron).
- Complete a minimum of 30 credits at The University of Akron to meet all residency requirements (this total does NOT include by-pass credit)

Required General Education (Gen Ed) requirements:

PHIL 1130 - Ethics (Course fulfills a Humanities and the Critical Thinking UA Gen Ed requirement)

COMM 1105 – Oral Communications

ENGL 2367 - Composition II

SOC 1101 – Intro to Sociology (Course fulfills a Social Science and the Domestic Diversity UA Gen Ed requirement)

8200:440 - Nursing of Communities covers the Complex Systems UA Gen Ed requirement
