

## Physical Environment Annual Report September 1, 2021 – August 31, 2022

### Goals:

Goal/Metric	Accomplished	In Progress	Not Accomplished
1. Monitor and make recommendations on an ongoing basis regarding campus planning, space utilization, and campus safety	X		
2. Coordinate alignment of campus facilities planning with changing academic planning	X		
3. Assist with planning/design/construction process for the Ayer/Crouse Renovations		X	
4. Review ongoing efforts for campus sustainability, energy, and recycling initiatives		X	

What were your top two successes?

1. Review of issues related to campus safety (Safety Walks, Cameras, Emergency Phones, etc.)
2. Implementation of streamlined process for space utilization changes/approvals

What were your top two challenges?

1. How to better assist with issues related to reducing the physical footprint (messaging, metrics, etc.)
2. How to advise on addressing deferred maintenance on campus given budget/staffing constraints
