2:20PM: Meeting called to order; holding on approving minutes from July 25th and August 22nd until September 26th meeting.

Meeting was scheduled for the committee to discuss amongst members on ways that we may be helpful and provide input on modeled revenues (increasing) and costs (decreasing) that are being shared with the UA Board of Trustees at September 18th meeting.

Committee shared concerns regarding the ~\$8M that is being modeled in further reductions that will need to be addressed in FY25 budget.

Committee discussed opportunities that may exist for us as a group to provide input on housing plans and the discounting of student scholarships.

Committee questions for next scheduled meeting to bring to both Misty and John:

How does fee remission impact the budget for dependents?

How many programs do we have on campus for graduate students that carry full tuition/full freight?

Where is the projected \$8M of cost cutting going to come from? Is it from staffing and faculty cuts or are there other areas that are being looked at?

How do we become connected with students in semester 1 that can leverage the choice to stay at UA?

How will the stadium be used, if at all, to increase revenues? What are the risks in utilizing it for more than football?

Group will meet via Teams on September 26th at 2:15PM.

3:12PM: Meeting adjourned
