6. Based on your goals for the year, outline what decision were made or action items discussed during this month's meeting that moved goal(s) forward

Goals for the committee and AKR to satisfy both the Provost request and UC's request could center around magazine story ideas and feedback on the first two editions of the UA magazine.

The UCCC is available to help compose or review internal or external communications of any University Council committee.

We need clarification on voting capacity at the University Council meetings since our committee status has changed.

- 1. Discussion of 2022/2023 Goals
 - a. TE - Goals for the committee and AKR to satisfy both the Provost request and UC's request could center around magazine story ideas and feedback on the first two editions of the UA magazine.
 - b. TE - For example, the fall issue of the magazine is being finalized right now. It will come out in November. But for the spring issue of the magazine, we would certainly appreciate any story ideas by December.
 - c. TE – The UCCC is available to help compose or review internal or external communications of any University Council committee. That's why we're here is to help them with their communication needs.

8. If you have a document that provides supporting materials for this month's work, please upload here. This attachment should not be the monthly minutes (minutes should be submitted in #7 above).

- d. RP - Another question, in terms of the topics for the magazine, what topics are usually successful in getting published? There is a general sense of what works. Monthly minutes (minutes) should be submitted, we think, to be too event specific. We can't necessarily cover an event that occurred in June, when the next magazine doesn't come out until November. So, homecoming is a big feature of this next magazine because the magazine is coming out in November and homecoming just happened in October.

9. Are there any new topic submissions or other information/feedback you would like to share from the committee?

- f. TE - We do a lot with advancement for major grants and gifts and things like that. There is a section in the magazine for that information/feedback you would like to share from the committee. Another example, in this next issue of the magazine we will feature our ROTC program. We appreciate more
